LR 29

SPEAKER WITHEM: This portion of the amendment is adopted. Senator Lindsay, to open on what I understand will be pages 1, 2, and lines 1 through 4 on page 3 of AM2864.

SENATOR LINDSAY: Thank you, Mr. Speaker, and members. Again, this gets back to the issue we were discussing earlier in the morning before the division, and it goes to that portion of the amendment, and for clarification, there are two amendments that would, I guess you'd be calling gun control type amendments. This is the first of those two. The second one deals with transfers, in who can transfer a firearm, and the second is on possession, when can a juvenile possess a firearm. This particular section or this particular part of the amendment goes to that latter question, that is, when can a juvenile possess it. It sets forth those times at which a juvenile can possess a firearm. It has been...we've already discussed it in opening. I won't take further time on the opening but would simply urge that this portion of the amendment also be adopted.

SPEAKER WITHEM: There are amendments to this provision. Prior to taking those up, Mr. Clerk, do you have items for the record?

CLERK: I do, Mr. President. Thank you. Very quickly, I have a hearing notice from General Affairs Committee. A new A bill, LB 1004A by Senator Schimek. (Read by title for the first time. See page 562 of the Legislative Journal.) Senator Pirsch has selected LB 20...LR 29CA as her priority legislation for the year, and Enrollment and Review reports LB 202, LB 441, LB 461, LB 488, LB 513, LB 513A to Select File. Amendments to be printed, Senator Rasmussen to LB 660; Senator Beutler to LB 681. (See page 562 of the Legislative Journal.) And hearing notices from Revenue, Appropriations, and Education.

Mr. President, the first amendment to the Lindsay amendment is by Senator Chambers. (Read FA331 as found on page 563 of the Legislative Journal.)

SENATOR CHAMBERS: Mr. President and members of the Legislature, this amendment that I am presenting to you goes to the definition or the description of the person who, if he or she possessed one of these firearms, would be guilty of illegal or unlawful possession of a firearm. The current language before my amendment would be any person under the age of eighteen who possesses a firearm commits the offense of unlawful possession
